LANCE HARTER HEAD COACH, 29TH SEASON

FIVE-TIME NATIONAL COACH OF THE YEAR
34-TIME SEC COACH OF THE YEAR
USTFCCCA COACHES HALL OF FAME INDUCTEE
CCAA HALL OF FAME INDUCTEE
12-CONSECUTIVE SEC TITLES (2014-2018)

The most successful coach in University of Arkansas and Southeastern Conference women's cross country and track and field history, Lance Harter is in his 29th year at the helm of the Razorback program. Harter's individual honors include five-time National Coach of the Year and 35-time SEC Coach of the Year accolades. His Razorbacks have racked up 25 NCAA event titles, 167 SEC event titles and 465 All-America certificates through the 2018 outdoor season.

In recognition of his standout career and accomplishments, Harter was inducted into the USTFCCCA Coaches Hall of Fame on December 15, 2014, at the organization's convention in Phoenix. He is also a member of the Arkansas Sports Hall of Honor, Mt. SAC Relays Hall of Fame and Cal Poly Hall of Fame.

During his tenure, Arkansas has collected 13 NCAA podium (top four) finishes including the 2016 NCAA Outdoor Championship team title, 2015 NCAA Indoor Championship team title and five national runner-up performances - four of those from cross country. Harter has also guided his team to 34 SEC titles (19 cross country, eight indoor track and seven outdoor track) including 12-consecutive conference championships dating back to the 2014 SEC outdoor meet. His title haul at Arkansas also includes 23 NCAA Regional Championships in cross country.

In winning the 2015 NCAA indoor team crown, Harter and the Razorbacks secured the first-ever national title by any women's program at the University of Arkansas. With its 63-points, Arkansas scored the third-highest team total in meet history and scored in each of the 15 events it had entries. The 2015 indoor season marked another first for the Razorback women when the program received its first-ever No. 1 ranking when the USTFCCCA released the Feb. 16 national poll.

Harter returned his track program into the national spotlight during the 2016 indoor season as the Razorback women posted their second-highest NCAA finish, earning a team silver for their efforts by only a three-point margin.

Shifting his team's focus to its outdoor campaign Harter worked to develop his veteran and rookie talents, mentoring three-sport All-American Dominique Scott along with Arkansas steeplechase record-holder Jessica Kamilos and newcomer Devin Clark. At the 2016 NCAA Outdoor Championship Harter's distance trio secured 32 of Arkansas' 72 points with two gold medals from Scott in the 5K and 10K, a runner-up performance by Kamilos in the steeplechase and a fifth-place finish for Clark in the steeplechase.

Currently with two national championships to his credit, Harter's women's track and field team remains the only women's program at the University of Arkansas to win an NCAA national title.

Overall, Harter has guided Arkansas to 29 top-10 NCAA finishes (10 cross country, 12 indoor track and seven outdoor) in his tenure including 16 top-five performances. Through the 2018 outdoor season, the Razorbacks have finished third or better in 78 percent (64 of 82) of SEC Championship meets under his watch. Arkansas has never finished lower than third at an SEC cross country meet.

One of the best distance coaches in the country, Harter is responsible for the development of 14-time All-American Amy (Yoder) Begley who was the first

Razorback to win a national title at both the indoor and outdoor championships. During her tenure at Arkansas and under the guidance of Harter, Begley raced to 15 SEC titles earning five SEC Athlete of the Year honors across the three seasons.

Continuing his legacy of training athletes that are nationally renowned through cross country, indoor and outdoor track & field, Harter transformed South African native Scott into one of the most versatile distance runners to ever compete on the collegiate circuit. The only five-time NCAA national champion in program history Scott was named the NCAA Indoor Runner of the Year in 2015 and was recognized as a semifinalist for the prestigious Bowerman Award in 2016. Under Harter's guidance Scott set seven program records during her tenure as a Razorback. Scott along with Therese Haiss, Kamilos and Sparkle McKnight own the second best performance in the NCAA history in the distance-medley relay.

Harter's coaching prowess hasn't gone unnoticed by his peers at the international level where he has represented the United States five times including duties as an assistant coach at the 1992 Summer Olympic Games in Barcelona, Spain. He served as the head coach of Team USA at the 1999 World Championships in Seville, Spain, and was joined by former Arkansas great Deena

(Drossin) Kastor ahead of the 2004 Olympics where she went on to win bronze in the marathon. Most recently, Harter was the head coach of the United States' women at the 2003 World Cross Country Championships in Brussels, Belgium.

Harter arrived at Arkansas in 1990 after 11 years of building the nation's top Division II program at Cal Poly-San Luis Obispo. His teams at Cal Poly-SLO won a Division II record 14 national championships, including eight-consecutive cross country and six track and field titles. He was Division II national coach of the year 10 times.

From the beginning of NCAA Division II Championships in 1981, Harter's teams controlled the awards ceremonies. The Mustangs finished runner-up the initial season and after that ran off a string of eight straight titles. In track and field, Harter won five NCAA and one AIAW championship.

Before coaching at Cal Poly-SLO, Harter was the men's and women's track and field coach at Smoky Hill High School in Denver, Colo. During his five years with SHHS, his teams won five cross country and five track conference titles. Before SHHS, he was an assistant coach for two years at Colorado State.

A 1972 graduate of Texas Tech, Harter set several school records as a member of the cross country and track teams. A dean's list honoree every semester at Tech, he earned his degree in physical education and American history. He earned his master's in education from Colorado State in 1974, focusing on physiology of exercise. He has completed doctoral hours at both Colorado and Colorado State.

CHRIS JOHNSON

ASSOCIATE HEAD COACH, 7TH SEASON

11-TIME REGIONAL ASST. COACH OF THE YEAR

4 OLYMPIANS

13 SEC CHAMPIONSHIPS

FIRST COACH TO PLACE THREE WOMEN COMBINED EVENT PERFORMERS AT A NATIONAL CHAMPIONSHIP MEET

Chris Johnson is entering his seventh season as the associate head coach of the University of Arkansas women's track and field team, having returned to Fayetteville prior to the 2012-13 campaign. Among his coaching duties, he oversees the Razorbacks' sprinters/hurdles and assists with the multi events.

The sprint and hurdle coach for the Razorbacks began his Arkansas career by coaching his student-athletes to four All-America honors, a national championship in the 4x400-meter relay outdoors and a pair of top 10 team finishes at the NCAA Championships.

Johnson received his eighth USTFCCCA Regional Assistant Coach of the Year honor for his development of Regina George during his first year back at Arkansas. Former Razorback and Nigerian Olympian, George won an NCAA title in 2013 by anchoring the Razorbacks' outdoor 4x400-meter relay to a national championship.

He added to his collection of awards in 2016, claiming his ninth USTFCCCA Regional Coaching honor, following the development of one of the most pronounced sprints and multis contingents in the country which boasted another 400-meter specialist in Philadelphia native Taylor Ellis-Watson as well as nationally-dominant heptathlon trio Taliyah Brooks, Alex Gochenour and Payton Stumbaugh.

Johnson's first year in the Ozarks was not unfamiliar to him as he spent two years as a graduate assistant with the Razorbacks in 2003 and 2004. During that time Arkansas won two Southeastern Conference titles and was a mainstay at the top of the leaderboard at both the SEC and NCAA Championships.

Johnson had a hand in the development of multi-time Olympic gold medalist Veronica Brown-Campbell and NCAA Outdoor Champion and future U.S. Olympic Relay consideration LaShaunte'a Moore.

In between Johnson's two stops in Fayetteville, he spent eight years at Penn State University, as an assistant and associate head coach. He was named the United States Track & Field Cross Country Coaches Association's (USTFCCCA) Mid-Atlantic Men's Assistant Coach of the Year seven times during his tenure in State College.

Johnson's time at Penn State included two NCAA Championships by his student-athletes, 36 Big Ten titles and more than 50 All-America honors. Johnson also guided the Nittany Lions to their first Big Ten 4x400-meter relay championship in program history. While in State College, Pa., Johnson's student-athletes played a pivotal role in Penn State women's fourth-place team finish at the 2010 NCAA Outdoor Championships.

During the 2015 season, Johnson's student-athletes produced top performances at both the indoor and outdoor SEC Championships assisting Arkansas' efforts to secure their third triple crown.

2015 saw Johnson transition senior Chrishuna Williams from a sprinter to one of the best 800-meter runners in the country. In her first year competing in the event, Williams won a conference championship, broke the school record with 2:01.61 (Payton Jordan Invitational) and posted two top-five performances at the NCAA indoor and outdoor championships.

Over the year, Johnson produced seven All-Americans, four SEC champions (400m, 800m, 4x400m), and two NCAA runner-up performances. The two silver medals from Ellis-Watson (400m) and the 4x400-meter relay team and a top-five finish from Williams (800m) aided in the Razorbacks winning the program's first national title at the 2015 NCAA Indoor Championships.

Carrying the momentum into the next year, Johnson's group became even more formidable, leading Arkansas to two more conference titles, a fourth program triple crown and its first outdoor national title. Along the way to collecting multiple program accolades Johnson was instrumental in guiding Ellis-Watson to two more SEC gold medals and four additional NCAA silvers. At the NCAA indoor meet his pentathlete trio became the first in the history of the NCAA to all medal in the same championship meet, scoring points which led to a national runner-up team finish.

One of the major highlights from the 2016 season came at the NCAA West Preliminary round during which Johnson coached his 4x400 relay squad, anchored by Ellis-Watson to a world-leading performance and meet, facility and program record of 3:25.48. In addition to the relay record, Johnson's athletes set four more program all-time bests over the course of the year including the 400 (outdoor), long jump (outdoor), 60 hurdles and 100 hurdles.

Fresh off the NCAA outdoor championship meet Johnson coached several Razorbacks to Olympic Trial bids with Ellis-Watson and Williams earning spots on the U.S. national team in the 4x400 and 800-meters, respectively. Following through with their development Johnson journeyed to Rio with the pair, training the duo right up until their respective races -- Ellis-Watson collecting an Olympic gold for her efforts.

Named the National Women's Indoor Assistant Coach of the Year last season, 2018 saw Johnson led Taliyah Brooks to the NCAA title in the pentathlon as she totaled over 4,500 points along the way. Brooks performance at the NCAA meet led to her earning USTFCCA honors as she was named the Women's Field Athlete of the Year. Payton Chadwick was Johnson's second National Champion at the indoor meet as she ran her way to the NCAA title in the 60-meter hurdles in a school record time of 7.93 seconds. Last season also saw Johnson also led his athletes to five program record performances - 60-meter hurdles, 100-meters, 100-meter hurdles, 4x400-meter relay, and long jump.

At the SEC meet, Johnson's event groups were responsible for 36 of Arkansas' points at the 2018 indoor meet, pushing the Razorbacks to their 12th-consecutive conference victory across cross country, indoor and outdoor track and field.

Johnson graduated from Lamar University in 1999, earning a degree in kinesiology. An outstanding athlete in his own right, he was a Sun Belt Conference champion at 400 meters.

He is married to the former Gi-Gi Miller, a 2001 NCAA triple jump champion and four-time All-American during her collegiate career at Arkansas. With Johnson as her coach, Miller competed at the 2005 and 2007 IAAF World Championships and was the 2006 U.S. champion in the heptathlon. The couple was married in October 2005.

Joining the Razorbacks in the fall of 1998, Bryan Compton has proven to Arkansas that he was an invaluable addition for its coaching staff. In 18 years of working with the Razorback field event personnel and multi-event competitors, Compton's student-athletes have earned 82 All-American honors which averages to a little more than four All-Americans a year. Additionally under his watch over 20 school records have been set, not including numerous heptathlon marks.

Compton's role has grown since he first joined the Razorback staff in the fall of 2012 when he was charged with coaching all of the field and multi-event competitors. Prior to the change his main focus had been the vertical jumps, throws and assisting with the multis.

Sharp in identifying young athletes with potential, Compton recruited North Carolina transfer Sandi Morris in 2012 to his talented roster of vaulters. Coming into the program with a PR of 4.30m/14-1.25 Morris progressed rapidly with the help of Compton breaking records formerly held by Sutej within the program and NCAA.

Capping her career in 2015 as an NCAA champion, silver medalist and outdoor record holder (4.72m/15-5.75) Morris continued competition on the professional circuit going on to finish second at the USATF Championships and fourth at the World Championships in Beijing.

2015 was a successful year not only for Morris but also for Compton's vault crew of Desiree Freier and Ariel Voskamp who teamed up with Morris to earn a combined 24-points for Arkansas at the NCAA Indoor and Outdoor Championships.

2014 World Junior Championships runner-up, Freier, went on to earn a silver medal at the 2015 USATF Junior Championships qualifying her to represent the US at the Pan Am Junior Games.

Fresh off what the track world tabbed as the 'Year of the Vault' in 2015, Compton produced two new sensations in Lexi and Tori Weeks who catapulted to the top of the pole vault ranks during their freshman season. One of the youngest dynamic duos on the collegiate circuit Lexi and Tori Weeks transformed into vault powers under the mentorship of Compton.

The pole vault guru coached the Weeks to two All-SEC honors apiece as well as two All-American honors in their first collegiate indoor and outdoor season. Lexi Weeks captured two conference titles and became the first freshman woman in the history of the NCAA to win a gold at the national level with two first-place finishes at the indoor nationals (where she set a meet record) and outdoor nationals, respectively. For her efforts Lexi was selected as the USTFCCA National Scholar Field Athlete of the Year, a credit to her performance on the runway and her 4.0 GPA in chemistry.

Since day one, Compton's coaching has produced almost magical results and an example of that is former Razorback heptathlete Makeba Alcide. The Southeastern

LEADERSHIP

conference four-time champion and eight-time All-American set the NCAA record in the pentathlon when she scored 4,569 points at 2013 SEC Indoor Championships. Alcide was also an accomplished high jumper and played a pivotal part in the Razorbacks' run to the 2013 SEC Indoor Championships.

One of the most decorated of all of Compton's recruits and student-athletes was pole vaulter Tina Sutej. A finalist for the prestigious award, The Bowerman, in 2011, Sutej ended her stellar career at Arkansas as the collegiate record holder in the pole vault both indoors and out, a two-time national champion, five-time SEC Champion and five-time All-American. She was also named the national indoor and outdoor field athlete of the year by the United States Track and Field Cross Country Coaches Association (USTFCCA).

Individually, Compton has also been recognized for his student-athletes success as he was named the 2005 USTFCCA Midwest Region Assistant Coach of the Year. Arkansas' team has also benefitted as each of the Razorbacks' ten SEC track and field championships have come since he joined the staff as well as five out of six of Arkansas' top-four national finishes including the 2015 NCAA Indoor title.

While Compton's broad-range of talents has been on display throughout his tenure, his expertise in coaching the pole vault has long been his calling card. Over the past 14 years, Compton has coached 14 pole vault student-athletes to the Olympic Games, World Championships 46 All-America honors, 19 SEC championships and seven SEC championship records. The Razorback success in the event dates back to the turn of the century when April Steiner Bennett became the first woman in league history to clear the 13 and 14 foot marks.

2016 continued his Olympic legacy as three of Compton's student-athletes including Morris, Sutej and Lexi Weeks represented their respective nations in Rio. Morris and Lexi Weeks earned trips to their first Olympic Games following runner-up and bronze finishes, respectively at the USATF Olympic Trials at Hayward field, during which Compton guided the pair from the sidelines.

Morris went on to win an Olympic silver medal in Rio and continued on following the games to set a new American record of 16-5 at a meet in Brussels, Belgium under the tutelage of Compton.

In the throws, Compton has led Razorbacks to the program's first ever SEC title in a throwing event and coached Marie LeJour to 2001 SEC Commissioner's Trophy, an honor that goes to the individual high-point scorer at an SEC track championship. LeJour's award made her the first non-distance runner from Arkansas to win. In 2016 Compton coached Micah Dennis to a seventh-place SEC finish in the shot put as well as a new Razorback record of 52-9.5, breaking a mark which stood for 16 years.

As a high jump coach, Compton has also produced, leading former Razorback Jessica Johnson to a national runner-up finish and the first All-America honor by a high jumper in Arkansas history. Johnson also broke what was Arkansas' longest-standing school records both indoor and out.

Alcide's success in 2012 and 2013 was the beginning of the next generation of gifted Razorback multis. Assisting Arkansas to its 2015 NCAA indoor title were multi-event athletes Taliyah Brooks and Alex Gochenour. Brooks and Gochenour scored a combined seven points for the Razorbacks finishing seventh and fourth respectively. The duo went on to secure All-American honors for their efforts at NCAA outdoor championships.

Compton was also the architect for the teammates who each scored 5,900-points in the heptathlon making Arkansas one of just a handful of schools to ever accomplish that feat.

Not only has Compton been an accomplished coach over the past 20-plus years but he was also a standout athlete in his own right. A varsity track athlete at Angelo State, Compton was a national qualifier for the NCAA Division II National Championships in both 1983 and 1984 in the long jump and the sprint relay.

Compton earned his bachelor's degree in physical education and biology from Angelo State in 1985. He has one son; Austin.

NCAA INDIVIDUAL CHAMPIONS

Diann Ousley
1979 Indoor 600 Yards

As a junior in high school, Diann Ousley was one of the best in the country, but an injury as a senior kept coaches from recruiting her. Coming to Arkansas, Ousley regained the form from her junior year and won the Razorbacks' first national title.

Competing in the 600-yard run at the 1979 national collegiate meet, Ousley shocked the country by beating the defending national champion, Lee Ballenger of Colorado, and the meet record holder, Doraine Lambelet of Villanova, for the title. Her time of 1:21.22 is still a school record in the event and paced the Razorbacks to a fifth-place national finish.

Jamie Park
1991 Outdoor 10,000 Meters

A transfer from Cal Poly-San Luis Obispo and a Division II national champion at 10,000 meters as a freshman, Jamie Park barely made the NCAA Championship meet as the 16th entry in a 16-person field. With a career best of 34:15.08, no one expected Jamie Park to step in at Arkansas and compete for a national championship as a sophomore.

The race began with a large pack in the front where Park would sit between fourth and sixth throughout most of the race. At the five-mile mark, Park moved into the lead which she did without much competition. Soon after she would look to her coach for the green light to move on. With the signal, Park pushed the pace of the race and powered the last 800 meters around the track to finish in an astonishing 33:15.08. Park's championship was the first NCAA title in Arkansas history as well as the first outdoor championship.

Trine Pilskog
1995 Indoor Mile

The 1995 indoor track championship was a special time for the Razorbacks as two individuals won NCAA championships. The first to accomplish the feat was Norwegian Trine Pilskog in the mile. Pilskog qualified for the NCAA meet with a time of 4:42.27, but struggled during the prelims of the national championship, finishing 10th with a mark of 4:50.95.

Pilskog followed the game plan set forth by her coach and put herself in decent position with 400 meters to go. With just 250 meters left in the race, Pilskog rose to a new level, according to Harter, and pulled away from the field to win the race with a personal best 4:39.19. Her winning time was the Norwegian indoor national record as well as a Razorback record.

NCAA INDIVIDUAL CHAMPIONS

Sarah Schwald
1995 Indoor 3,000 Meters

Sarah Schwald was a national competitor in many races but failed to win a national title until the 1995 indoor season. Entering the championships with a mark of 9:35.2 for 3,000 meters, Schwald improved during the prelims of the race with a time of 9:33.16, which placed her in good position heading into the finals where she would have to face the favorite, Christine Stief of Boston University.

The race began with a large pack at the front of the field but many of the contenders started to fall off the lead group as the race wore on. Soon it came down to Schwald and Stief, and with 400 meters to go, both looked very strong.

Schwald would run a lifetime best 9:19.90 to win the race, less than one second ahead of Stief's 9:20.69. The title was Arkansas' second of the 1995 indoor championships, a feat that wasn't duplicated until 2001, and allowed Arkansas to finish fourth overall at the meet.

Amy Yoder Begley
2000 Indoor 5,000 Meters

Amy Yoder Begley entered the 2000 indoor track meet as a perennial bridesmaid. The junior had finished second or third in several NCAA competitions. All that changed on March 10, 2000, when Yoder Begley entered the 5,000-meter run at the NCAA Championships in Fayetteville with the fourth-fastest mark in the country.

The race began like most distance competitions at national meets: a lead pack takes the race out and tries to thin the contenders for the top spot. Yoder Begley stayed with the lead group through the midway point where it became clear that there would be only two people vying for the lead, Yoder Begley and Carrie Tollefson of Villanova. Tollefson would sit on Yoder Begley's side for most of the race, but with 600 meters to go, Yoder Begley made her final move and left Tollefson in her wake. Crossing the finish line in 15:46.89, Yoder Begley won her first national title, set the Arkansas school record and became the first Arkansas athlete to ever win a national championship in Fayetteville.

Tracy Robertson
2001 Indoor Mile

Entering the 2001 NCAA Indoor Championships, Tracy Robertson held the second-fastest time in the competition as well as a chip on her shoulder. A finalist in the event in 2000, Robertson was among the leaders before getting tripped midway through the race. She would recover for fourth in 2000 but had a point to prove as the 2001 race began.

Robertson hung with the leaders for four of the eight laps, then took control. She would be challenged throughout by Mary Jane Harrelson of Appalachian State, the race favorite, but with each surge that Harrelson made, Robertson would fend it off and add more distance between herself and her opposition.

Harrelson would make another strong push with one lap remaining, but as Robertson covered the move, Harrelson would drop off the pace giving Robertson a clear path to victory. Crossing the line in 4:39.10, Robertson established a personal best in the race and beat her competition by three seconds.

NCAA INDIVIDUAL CHAMPIONS

Gi-Gi Miller
2001 Indoor Triple Jump

Gi-Gi Miller was a phenomenal athlete who never concentrated on just one event. A heptathlete by trade, she was a threat in every competition, despite the distance or specialty, and as the 2001 indoor triple jump began, Miller was focused.

Miller went into the finals with a big jump of 43-4.5 which placed her second overall. As the finals began, Miller's talent shined. Opening the final three jumps of competition with a mark of 43-8.75, Miller took the lead and never relinquished it. She would improve her mark with her fifth jump to 44-4, despite a big leap by UCLA's Deana Simmons to end the competition.

Amy Yoder Begley
2001 Outdoor 10,000 Meters

Arguably the greatest distance runner in SEC women's track history, Amy Yoder Begley put a final stamp on her career when she became the first Razorback ever to win a second NCAA individual title. Coming off an Achilles injury, Yoder Begley was not looked at as one of the favorites at the 2001 NCAA Outdoor Track Championships, but she would quickly move up with the leaders and assert her position.

Exhausted from the heat, Yoder Begley collapsed across the finish line well out in front of her competition for her second national title and her 15th All-America honor, both Razorback school records.

Veronica Campbell
2004 Indoor 200 Meters

Touted as one of the best sprinters of her age group, Veronica did not disappoint the fans at the Randal Tyson Track Center when she entered the finals of the 200 meters with the third-fastest time during prelims. Set up in a prime lane for the final, Campbell roared down the back straight showing her competition why she held the fastest time in the world up to that point.

Campbell crossed the finish line in 22.44 seconds, breaking the collegiate record by .05 seconds. The time also set the standard for all runners across the globe as it stood as the fastest 200-meter time in the world during the 2004 indoor season.

NCAA INDIVIDUAL CHAMPIONS

LaShaunte'a Moore
2004 Outdoor 200 Meters

Entering the 2004 NCAA Outdoor Championships with the nation's 26th-fastest time, not many expected LaShaunte'a Moore to be a factor in the 200 meters. She became more than a factor when she completed an Arkansas sweep of the 200-meter dash during the '04 seasons. Getting out of the blocks well, Moore was with the leaders at the end of the curve, then used her strength to pull away as the field entered the straightaway.

Facing a world-class field, Moore held off the challengers to cross the finish line in stunning fashion at 22.37 seconds, well ahead of the favorite, Muna Lee of LSU, who finished at 22.55 seconds.

Moore's win in the 200 was Arkansas' 10th individual national title and third in the sprints. It also capped off a tremendous season for Arkansas in the ballistic events which re-wrote the Razorback record books.

Aneita Denton
2005 Indoor 800 Meters

As the 2005 NCAA Indoor Championships approached, all the buzz in the 800 meters was about Aneita Denton and Nicole Cook of Tennessee who had battled two weeks prior to the meet at the SEC Championships to the tune of the collegiate record and third-fastest collegiate mark. Cook got the best of Denton in that race, but Denton would not let the disappointment get her down.

Starting in a pack, Denton made a move with 400-meters to go and built a small lead that was quickly covered by Neisha Bernard-Thomas of LSU. Another charge by Bernard-Thomas put her shoulder-to-shoulder with Denton, but the strength of Denton allowed her to hold off the LSU runner and claim her first national title.

Denton's victory made her the fifth Razorback to win a national indoor title since the completion of the Randal Tyson Track Center and was the first for a Razorback in the 800 meters.

Aneita Denton
2005 Outdoor 800 Meters

Taking the unfamiliar roll of being the one to beat at the 2005 NCAA Outdoor Championships, Aneita Denton worked her way through two rounds of competition before setting up to face a tough field in the finals. The defending NCAA indoor champion entered the final with the fastest time and got off to a fast start with the field. In third place at the break, Denton found herself caught in a box as the runners merged and waited for her way out. The opportunity came just 100 meters later, and Denton cruised to the front of the field to run off the shoulder of Cal Poly's Maggie Vessey. Hitting the home-stretch, Denton put it in another gear as she pulled away from the field to sweep the national 800-meter titles.

The sweep of the national 800-meter titles by Denton made her just the third woman in NCAA history to accomplish that task and the first since two-time Olympian Hazel Clark in 1998. She also earned the honor of being the first Razorback to win two NCAA titles in the same academic year, and just the second to win more than one national championship.

NCAA INDIVIDUAL CHAMPIONS

Tina Sutej
2011 Indoor Pole Vault

Having dominated the indoor season with an NCAA record to her credit, Tina Sutej was the one to beat leading into the 2011 NCAA Indoor Championships in College Station, Texas. The junior standout responded with her first career national title in the pole vault, pacing the Razorbacks to a fourth-place team finish at the national meet.

With her win in the pole vault, Sutej became the 10th NCAA champion in program history, and the 11th overall. She took the top spot in the event with a clearance of 4.45m (14-7.25), a new facility record for the Gilliam Indoor Track Stadium.

A victory assured with all other vaulters out of the competition, Sutej took attempts at bettering her own collegiate record. The national title capped an undefeated indoor campaign in which she won all seven competitions she entered with a minimum winning clearance of 4.34m (14-3.25).

Tina Sutej
2012 Indoor Pole Vault

In a repeat performance from the previous year, Tina Sutej won her second NCAA indoor title in the pole vault at the national meet in Nampa, Idaho. The victory capped off an indoor campaign in which she did not lose a competition for a second consecutive indoor season.

Sutej was perfect through the competition, not missing a jump until her final attempts at resetting her own NCAA record. The Razorback senior finished the meet with a winning clearance of 4.45m (14-7.25) to clinch back-to-back national titles in the pole vault. Sutej wrapped her collegiate indoor career having won 13 consecutive indoor competitions dating back to the start of the 2011 season.

With her win, Sutej became the first two-time indoor NCAA champion in program history and the third to win multiple titles overall. She is joined on that list by Amy Yoder Begley and Aneita Denton who both won an indoor and outdoor NCAA title during their respective careers.

Flowers, George, McKnight, Williams
2013 Outdoor 4x400 Relay

In June 2013 Gwendolyn Flowers, Regina George, Sparkle McKnight and Chrishuna Williams became the first Razorback quartet to earn a relay gold medal for the Arkansas women's track and field team.

On the final day of the 2013 NCAA Outdoor Track and Field Championship the fast foursome combined to run 3:27.09, topping a slew of 4x400 powers including Texas A&M, Texas and Oregon.

A multiple-time quartermile All-American, George anchored the group splitting in the 50. over the one-lap sprint to seal the deal for the Razorbacks; vindication for the senior after a fifth-place finish in the 400 finals against rival power five opponents.

NCAA INDIVIDUAL CHAMPIONS

Heymsfield, Williams, Brown, Scott
2014 Indoor DMR

The Arkansas women's track and field team picked up another relay national title (it's first indoors) as Grace Heymsfield, Chrishuna Williams, Stephanie Brown and Dominique Scott combined to run 11:05.83 in the distance medley relay,

Heymsfield led off for the Razorbacks charged with the 1,200 leg of the relay before passing the baton off to Williams who posted the fastest 400 split of the night in the event, clocking 52.56 over two laps.

Brown picked up right where Williams left off, continuing to close the gap on Stanford who had a narrow lead on the field. Receiving the baton less than half a second behind the Cardinals, Scott took control of the race, splitting 4:40.24 over the final mile to take the title with a two-second margin of victory.

Haiss, Kamilos, McKnight, Scott
2015 Indoor DMR

In the final event, the quartet of Jessica Kamilos, Sparkle McKnight, Therese Haiss and Dominique Scott combined for a time of 10:51.89 to establish a new school mark and the second-fastest time in NCAA history, less than a second behind the all-time record. With Friday's performance, the DMR school record was lowered by more than five seconds. The win is Arkansas' 12th national indoor event title and second-consecutive in the distance-medley relay.

Dominique Scott
2015 Indoor 3,000 Meters

After day one of the national meet, the Razorbacks were in third place overall with 13 points. Arkansas sits within one point of the team lead with 11 scoring opportunities Saturday.

Doubling back from Friday's anchor of the victorious distance-medley relay, Scott claimed her first NCAA individual title with a first-place run at 3,000 meters. The Razorback senior crossed the finish line to a standing ovation from the home crowd in a time of 8:55.19, more than three seconds ahead of the runner-up. Scott is the second runner in program history to win an indoor title at 3,000 meters, joining Sarah Schwald who won in 1995.

NCAA INDIVIDUAL CHAMPIONS

Sandi Morris
2015 Indoor Pole Vault

Sandi Morris entered the 2015 NCAA Indoor Championships with the No. 2 mark in the country. At the SEC meet, she won the pole vault title with a final clearance of 4.66m (15-3.50) which bettered her own school record, broke the SEC meet mark and tied the No. 2 effort in NCAA history. It was her fourth winning performance of 15' or higher this season.

Morris tied the NCAA indoor meet record in her victory in the pole vault, posting a final clearance of 4.60m (15-1). She was five-for-five to open the competition before her first miss at 15-1. She went on to clear the bar on the second attempt and win her first national title. With her result Saturday, Morris now has five winning clearance of 15 feet or higher this season. She joins Tina Sutej (2011, 2012) as a Razorback national champion in the pole vault.

Lexi Weeks
2016 Indoor Pole Vault

In her NCAA Championship debut Lexi Weeks stunned the crowd at the Birmingham Crossplex claiming the pole vault national title in an NCAA meet record of 4.63m (15-2.25). The Cabot, Ark. native posted perfect attempts over four heights before going to head-to-head against fellow NCAA co-leader Megan Clark of Duke. An SEC Champion one week earlier Lexi Weeks emerged as the outright No. 1 following a clearance over 4.60m (15-1).

She capped the night with a new PR of the aforementioned 4.63m (15-2.25) becoming the first freshman in the 18 year history of the NCAA pole vault to earn the national crown.

Lexi Weeks is the fourth pole vaulter in Arkansas history to win an NCAA Championship and the 28th Razorback to do so.

Dominique Scott
2016 Outdoor 5,000 Meters

History was made Saturday evening at Hayward Field in Eugene as the Arkansas women's track and field team rallied together to win the program's first NCAA Outdoor Track and Field Championship with a score of 72.

Expectations were high for coaches and student-athletes alike heading into 2016 season finale as all parties affiliated with the program knew exactly what the talented group of young women were capable of.

Already a national champion (10K), Scott capped her final collegiate meet in spectacular fashion, cruising to her second event victory with a time of 15:57.07 in the 5,000. A national runner-up in the event one year prior, Scott returned this season with an increased mastery of how to properly execute the 12 1/5 lap race maintaining pace with the lead pack through most of the race. She took charge of the event with 600 meters to go out-kicking the field to complete her career as the most dominant national performer in Razorback history with five NCAA individual event titles.

NCAA INDIVIDUAL CHAMPIONS

Dominique Scott
2016 Outdoor 10,000 Meters

A ten-time All-American through all three seasons (cross country, indoor and outdoor track and field) Scott cruised to her 11th honor crossing the finish line in (time). Challenged by Alice Wright of New Mexico Scott maintained her cool on the national stage navigating the 25-lap race at her own pace as practiced with head coach Lance Harter.

The NCAA regular-season leader in the event surged ahead of the pack on the final 400 meters in dominating fashion to become the second Southeastern Conference runner to win a national title in the 10,000.

Scott's victory in the 10K marked the fourth individual national crown of the South African native's career. She is the third Razorback to claim the NCAA 10K title, following in the footsteps of other Harter distance prodigies, Jamie Park (1991) and Amy Yoder Begley (2001).

Lexi Weeks
2016 Outdoor Pole Vault

In the field Weeks was bulldozing her way into the record books as the 2016 NCAA indoor pole vault champion completed the event sweep with a clearance of 4.50m (14-9) to earn the outdoor title ahead of seniors Alysha Newman (Miami) and Morgan Leleux (UL-Lafayette).

Through five heights the American junior record-holder only had one miss, in spite of the cool and wet weather conditions, which came at 4.35m (14-3.25), a height her fellow competitors decided to pass through. Her second attempt clearance of that bar made the difference as neither Newman nor Leleux were able to advance past 4.30m (14-1.25).

Weeks capped her first year as a Razorback as a SEC and NCAA indoor and outdoor pole vault champion.

Lexi (Weeks) Jacobus
2018 Indoor Pole Vault

Arkansas native, Lexi Jacobus of Cabot returned to the national spotlight for the third time in her career, placing first in the pole vault off a meet and program record clearance of 4.66m (15-3.50).

Jacobus only had three misses throughout the entire competition securing the No. 1 spot with a first attempt clearance of 4.56m (14-11.50).

Along with Jacobus, Arkansas placed two more vaulters on the pole vault podium with Tori (Weeks) Hoggard finishing second off a PR performance of 4.61m (15-1.50) and Desiree Freier finishing fifth of a PR performance of 4.41m (15-5.50).

Combined the trio scored the highest total ever in pole vault by a team in NCAA history, collecting 22 points towards Arkansas' team total.

NCAA INDIVIDUAL CHAMPIONS

Taliyah Brooks
2018 Indoor Pentathlon

"Two-times a bridesmaid, now a bride," the announcer said as Brooks crossed the finish line, completing the final pentathlon event of the day, the 800-meter run.

The Wichita Falls, Texas native had finished second at the SEC and NCAA Indoor Championships two-consecutive years prior but 2018 proved to be her year for gold.

The moment was a historic one for the program as Brooks became the first Razorback combined events performer to ever finish first at a national championships.

Her season best gold-meriting performance (4,572 points) earned 10 points towards Arkansas' team total. Brooks finishes her collegiate indoor stead as the fourth-highest career scorer at the NCAA championships in pentathlon.

Payton Chadwick
2018 Indoor 60-Meter Hurdles

Springdale, Ark. native Payton Chadwick became a national champion, matching her personal best from the 60-meter hurdles prelim of 7.93 to win the event final.

Chadwick edged out USC's Anna Cockrell by .004 seconds, making the most out of a commanding finish to secure 10 points for the Razorbacks.

Arkansas picked up 11 total points from the event with freshman Janeek Brown placing eighth.

Chadwick is the first 60-meter hurdles champion in program history and the first Arkansas indoor national champion in the sprints/hurdles event group since Veronica Campbell-Brown (200) in 2004.

WHO'S NEXT?

HALL OF HONOR

Each year the membership of the University of Arkansas "A" Club votes on nominations for the University of Arkansas Hall of Honor. To be on the ballot, a former Arkansas student-athlete must have been at least a two-time letterwinner, a starter, all-conference or All-American and five years past their last competition for Arkansas. Current coaches or administrators are eligible after 10 years' service.

Melody (Sye) O'Reilly, 1996

Sept. 6, 1996, Melody (Sye) O'Reilly became the second Razorback woman in University of Arkansas history to receive induction into the University of Arkansas Sports Hall of Honor. By joining 1994 inductee basketball all-time leading scorer and legend Bettye Fiscus Dickey in the Hall of Honor, Sye's position as one of the greatest track and field athletes at Arkansas was complete.

Sye was the rock upon which former track coach, current executive associate athletic director, Bev Lewis built her program during the mid-1980s. The Ocean City, N.J., product was the first major East Coast female athlete to cross the Mississippi to run for Arkansas.

Her impact was immediate. Arkansas made three team appearances during her four cross country seasons. The Razorbacks' first two-time All-American in cross country, Sye paced Arkansas to its first top-10 finish at the NCAA Championship with 10th at the 1986 meet.

1987 was Sye's season. On the hills, she shattered the Arkansas marks for best 5,000-meter cross country performance - a record that stood for 11 years - with her blistering 16:34.29 at the Arkansas-hosted Southwestern Conference Championship. She backed it up at the end of November with a 16:36.82 for 14th at the NCAA Championship in Charlottesville, Va., as the front-runner for a ninth-place team finish.

The next week Sye paced Arkansas to a first-place finish among the associated team entries at The Athletic Congress national cross country championship. Her 20:12 at the New York City-hosted race also remains as the best 6,000-meter run in Razorback history as Sye was 10th overall and the second collegian at the national.

Sye's November to remember was just part of one of the best all-around individual track years in Razorback history. Earlier in 1987, she was the youngest entrant in the world-class field at the TAC/Mobil U.S. Indoor Championships, and captured the SWC 1,000-yard indoor title as well as All-America honors.

Sye became the first Razorback woman to earn five All-America honors in any sport - two cross country (1986 and 1987), two indoor track (1986 indoor mile and 1,000 meters) and one outdoors (1989 1,500 meters). She was an eight-time NCAA Championships qualifier.

Although she won only three SWC championships, the 1987 1,000 yards, 1989 indoor mile and 1989 outdoor 3,000 meters, she was one of Arkansas' highest point-scorers at the conference meets. She closed her collegiate career holding 10 Arkansas records. When the SWC selected all-decade teams to celebrate the 10th anniversary of women's championships, Sye was the only student-athlete named first team in cross country, indoor and outdoor track.

Bev (Rouse) Lewis, 1998

On Sept. 5, 1998, Bev (Rouse) Lewis became the first Razorback women's coach or administrator to join the University of Arkansas Sports Hall of Honor. It was fitting since she was both an outstanding coach and landmark administrator for the University of Arkansas. The current executive associate athletic director at the University, she established the Razorback women's cross country and track and field tradition.

Long before Lewis made her mark as an administrator in the former women's athletics department at the University of Arkansas, she was earning accolades as a coach of the Razorback women's cross country and track and field program. She served as the head coach for cross country and track for nine years, including one after she had been named women's athletics director.

Her teams claimed three major milestones in Razorback history. Her 1984 team was the first women's team to earn a national ranking. Two years later, she led Arkansas to its first ever women's top-10 finish at the NCAA Championships in any sport. The crowning achievement was the University's first women's Southwest Conference championship, earned by her 1988 team led by Sally Ramsdale and Jackie Mota. In 1990, she coached Team USA at the World Cross Country Championships before turning her full attention toward her duties as athletic director.

Under her direction, the former women's athletics department has shown incredible growth. She was instrumental in remarkable improvements in facilities, personnel and programs. Her management skills were recognized by Arkansas Business as she was named in 1996, 1997 and again in 1998 to the magazine's "Top 100 Women in Arkansas." She has served on the NCAA Championships Cabinet and the NCAA Management Council.

HALL OF HONOR

Deena (Drossin) Kastor, 2001

One of the most decorated athletes in Arkansas history and a two-time Olympian, Deena (Drossin) Kastor added another title to her lengthy resume at the games in Athens - bronze medalist. The 10-time All-American distance runner became the first Razorback woman in University of Arkansas history to make the U.S. Olympic team as a competitor in 2000 then the first American medalist in 2004. Kastor picked up her first international title with the 1997 World University Games gold medal in the 10,000 meters at the Italian-hosted games.

The five-time USA cross country champion captured two spots on Team USA for the 2000 Sydney Olympics, then returned in 2004 to take spots in the marathon and 10,000 meters. Competing in just the marathon in Athens, Kastor ran what could only be described by insiders as a near flawless tactical race when she crossed the Greek mainland from Marathon to the birthplace of the modern Olympic games in Athens in 2:27.20. Staying behind the leaders for most of the competition, Kastor was not affected by the heat of the day, then turned it up a notch when the sun began to fall and picked off competitors one by one until she entered the stadium in bronze-medal position.

Kastor is America's top world-class distance runner. In 2002, she was the silver medalist at the 30th IAAF World Cross Country Championships in Ireland and led Team USA to the team silver medal in the 8,000-meter long course competition. She broke the world record for 5,000 meters on the roads at the 2002 Carlsbad 5,000 meters with a 14:54 and became the first American since PattiSue Plumer in 1986 to hold the record. It came less than a month after crushing the American record for 15,000 meters.

A member of Team USA at the IAAF Championships since 1997, Kastor reached new heights in March 1999 at the Worlds hosted in Belfast, Ireland. After winning her second USA cross country title (long course), she was one of the early race leaders at the IAAF. Kastor finished 10th in the world with a 28:53. At the 1998 World Championships in Marrakech, Morocco, Kastor clocked a 27:06 to finish 21st overall leading the USA to a fifth-place team finish.

After representing the USA at Sydney, Kastor finished 12th in the world at the IAAF in Ostende, Belgium. She also became the first American in years to win the Boulder-Boulder and notched one of the fastest half-marathon times in the world at the USAT&F Championship.

In 2000, she won both the long (8K) and short (4K) USA cross country titles and had another top 15 finish at the IAAF Championships.

Amy (Yoder) Begley, 2006

There is a simple way to sum up Amy (Yoder) Begley's cross country career at Arkansas. Number One. The Kendallville, Ind., distance runner completed her cross country eligibility at Arkansas with the 1999 season and she left no significant Arkansas or Southeastern Conference record standing. Among her notable firsts: first woman to win three-consecutive SEC titles; first woman to receive three SEC Cross Country Runner of the Year awards; first SEC student-athlete to receive the Honda Award for cross country; first four-time cross country All-American at Arkansas. She was also the 2000 SEC Female Athlete of the Year and the winner of the 1999 Honda Award for Cross Country.

By the close of her senior year, she removed any doubt that she was the greatest distance runner in SEC history. A 15-time All-American, Yoder Begley won an astounding 15 SEC individual titles, the most ever for a female track athlete, and two NCAA Championships, the 2000 Indoor 5,000 and the 2001 Outdoor 10,000. Captaining the first back-to-back women's triple crown in SEC history, she was voted by the league's athletic directors as the Female Athlete of the Year in 2001. Yoder Begley is only the third track athlete, male or female, in SEC history to receive the all-sport Athlete of the Year honor.

From the day she arrived in Fayetteville, Yoder Begley held legend status. She was late for the start of fall classes, but with an outstanding excuse as she was busy taking two world junior titles in Australia. As a freshman, she ran in only five races due to the late start. She made up for lost time as Arkansas' front runner in all five meets, a place that she would yield only three times in her career. She was third at the SEC Cross Country Championship and 29th at NCAAs, two places she would never finish again.

Yoder Begley came into her own in 1997 with her first SEC Championship and a seventh-place finish at the NCAA Championships. She won or was second in every cross country race except the NCAAs, and only five collegians bested her all season.

As a junior, she became a dominant force. Capturing five meet titles including the Stanford Invitational along with the SEC and NCAA South Central Region Championships, Yoder Begley brought her team back to the SEC trophy. She destroyed the school record for the fastest 5,000-meter performance at Arkansas with a 16:29 at Chile Pepper. The year also marked her first appearance on the Honda Award ballot. In 1999, she and Arkansas had a date with destiny. The only significant achievements left for Yoder Begley were those set by Deena Drossin and her 1992 team. Drossin was national runner-up and the team took home the runner-up trophy at the Indiana-hosted NCAAs. On Nov. 22, 1999, Arkansas returned to the same course for the NCAA Championships.

HALL OF HONOR

Yoder Begley did not disappoint. Despite a late-season injury that slowed her at the regional meet, she took the race from the gun and held onto the lead until the closing 1,000 meters. She equaled Drossin with her second-place finish, and with teammate Lilli Kleinmann on her heels, led her team back to the awards stand for the first time since 1995. She capped her senior season with the one award that eluded Drossin - the Honda - as America's number one female cross country athlete.

Her achievements on the track were equally stunning. Currently the all-time leader for any woman, any sport, at Arkansas with 15 All-America honors, she won more SEC titles than any other Razorback woman, and became the first Arkansas athlete to win a national title at the Randal Tyson Track Center with her 5,000-meter NCAA Championship in 2000. Her victory in the 10,000 meters in 2001 made her the first double national champion for Arkansas women's track.

Lance Harter, 2006

The winningest coach in Razorback women's history, Lance Harter has brought 19 Southeastern Conference Championships to Fayetteville and nine NCAA trophies, including four second-place awards.

Included in Harter's impressive resume are the second and third Southeastern Conference triple crowns, titles in cross country, indoor and outdoor track in the same academic year, and his string of seven straight SEC titles is a conference record. He has twice led his cross country team to five straight SEC championships, a feat never duplicated, and his 1999 team recorded the conference's first perfect score of 15 at the league meet.

On the national level, Harter's 20+ years in Fayetteville have brought nine NCAA trophies back to campus including four national runner-up finishes with the most recent in 1999.

While Harter's teams have been impressive, the work that he has done with his student-athletes is even more so. Thirteen of Arkansas' 15 cross country All-Americans were students of Harter's, and among them, they earned a combined 24 honors. Deena (Drossin) Kastor and Amy (Yoder) Begley each finished their careers with NCAA cross country runner-up attached to their resume and Yoder Begley was Arkansas' and the SEC's first Female Athlete of the Year.

Harter's tutelage has not just been beneficial to a few Razorbacks, but to a wide range of runners. He has coached eight women to SEC Cross Country Championships over 20 years and an additional 30+ have earned all-conference honors, including a group of seven women who have accomplished that task in each of their four years on the cross country course.

Megan Flowers, 2007

One of the Razorbacks' best during her time, Flowers' career at Arkansas bridges the gap between previous inductees Deena (Drossin) Kastor and Amy (Yoder) Begley.

A career filled with honors and awards, Flowers holds the Razorback record for career winning percentage at 98.6%. During her tenure she won 2,189 races while losing just 30 times and tying three. When she completed her eligibility in 1997, she was Arkansas' career leader for races won with nine and now ranks second on the list behind Yoder Begley (12).

Her Arkansas records are certainly impressive, but even more so is her list of honors. She was a three-time All-American in cross country and took 10 All-America honors overall, including indoor and outdoor track, making her just one of three individuals in Arkansas history to post double-digit All-America honors. She was a three-time All-SEC performer as a harrier and also earned three all-region honors. Her 1995 cross country season was perhaps her most impressive as she ran away with the SEC individual championship, then finished fourth at the NCAA meet. The finish gave her the second All-America honor of her career and led to her being a finalist for the prestigious Honda Broderick award that season.

Flowers' cross country eligibility expired after the 1995 season and it was another banner year for the Fort Worth, Texas, native. She led the Razorbacks to their fifth-consecutive SEC team title and nearly repeated as the conference champion in the event but was barely edged at the finish. She earned her third cross country All-America honor that season and ended her career with the fifth-fastest 5,000-meter cross country race in Arkansas history.

Following her cross country career, Flowers continued to run on the Razorback women's track teams and following her collegiate eligibility she was named the NCAA Woman of the Year for the state of Arkansas in 1997 while also being tabbed as an SEC Boyd McWhorter nominee.

In the classroom, Flowers was a two-time ESPN the Magazine, then GTE, third-team academic All-American in 1994 and 1995 and a three-time all-district selection between 1995-97. She was named to the Cross Country Coaches Association of America's Academic team in 1995 and the SEC Academic Honor Roll in both 1995 and 1996.

**Gi-Gi Miller Johnson, 2008**

An NCAA triple jump national champion and a four-time All-American, Miller was the SEC heptathlon champion in 2000. Miller was the first Lady Razorback field national champion when she captured the 2001 NCAA indoor triple jump title. The school record holder for the triple jump and heptathlon, Miller was a 2001 World University Games heptathlete and triple jump participant in Beijing, China.

Honored as the Salute to Excellence recipient in 2002, she was the runner-up at the USATF Outdoor Championships in 2005 and was a member of Team USA for the 2005 World Championships. Since her junior season at Arkansas, she was ranked in the top 10 in the U.S. for the women's heptathlon and was ranked No. 2 in the United States in 2006.

A pioneer in Razorbacks women's athletics Gigi etched her name in Arkansas history as the university's first NCAA field event national champion. With several SEC and All-America accolades to her claim Gigi graduated from the U of A as one of the most decorated athletes to ever represent the Razorbacks.

Johnson remains the best triple jumper to ever compete for Arkansas during both the indoor and outdoor season and holds strong at No. 5 on the Arkansas' all-time bests list in the pentathlon.

A three-time World Championships qualifier, Gigi credits her parents with cultivating a loving and spiritual atmosphere, which allowed her and her brothers to thrive in sport.

She currently resides in Fayetteville, Arkansas with her husband Chris Johnson where they continue to shape and develop a new generation of track and field athletes at Arkansas.

**Veronica Campbell-Brown, 2009**

Arkansas' most decorated Olympian, Veronica Campbell-Brown spent a short but successful year in Fayetteville, culminated by an NCAA title and collegiate record. Campbell-Brown joined the Razorbacks in 2004 as a transfer from Barton County Community College where she won four NJCAA national titles during her two-year stay.

The 2004 NCAA Indoor Champion in the 200 meters, she was named an All-American four times. She won three SEC individual titles, and earned All-America accolades in the 60 meters, the indoor 200, the indoor 4x400 relay and the 4x100 relay. She holds school records in the 60, the 100, the indoor 200, the outdoor 200 and as a member of the 4x100 relay.

Still one of the world's top short sprinters, she was a member of Team Jamaica for the third time in her career at the 2008 Olympic Games in Beijing, and won the 200-meter gold medal. She became the first Razorback women's Olympic gold medalist at the 2004 Olympics in Athens.

Holding eight Olympic medals total and 11 World Championship titles while representing Jamaica, she is the only Razorback woman to win multiple gold medals. In 2008, she became only the second woman in history to successfully defend the Olympic 200-meter title. Her clocking, 21.74, is eighth on the all-time list.

The three-time Olympic gold medalist was named to the 2017 Southeastern Conference Women's Legend Class in recognition of her contributions to the University of Arkansas and to the SEC.

HALL OF HONOR

Tracy Robertson, 2010

Tracy Robertson, a 2010 inductee, was a member of head coach Lance Harter's cross country and track and field teams from 1997-2001. She competed in cross country and distance events ranging from the 1,500 meters and the mile to the 3,000 meters. She is the 10th representative of women's cross country and track and field inducted into the UA Sports Hall of Honor.

A nine-time All-American for the Razorbacks' cross country and women's track and field program, Robertson was a key member of both of Arkansas' Southeastern Conference triple crown championship teams in 1999-2000 and 2000-01. She was named the SEC high point scorer at the 2000 SEC Indoor Championships after accumulating 26 points. Robertson was part of eight SEC team championships while at Arkansas. She won the program's sixth individual NCAA Championship during the 2001 indoor track season in the mile besting the field by three seconds while setting a new personal best in the event with a time of 4:39.10. In the Arkansas record book, Robertson's mile personal best still ranks as the No. 5 time in school history.

Her All-America honors came in the 2000 and 2001 mile, the 1998, 2000, and 2001 3,000 meters and as a member of the distance medley relay in 1998 and 1999 during the indoor season. Outdoors, she picked up All-America status in the 2001 1,500 meters and the 1998 3,000 meters.

Robertson took home five SEC individual and relay titles in her four seasons. She won the SEC indoor mile in 2000 (4:41.12) and was part of the title-winning distance medley relay (11:31.80) in 1998. Outdoors, she took 1,500 meter titles in 1998 (4:25.90) and 2001 (4:20.89) and the 3,000-meter title in 1998 (9:35.82). Robertson was a nine-time All-SEC performer for the Razorbacks.

A native of Ottawa, Canada, Robertson earned her degree from the University of Arkansas before a brief professional career in track and field.

Jessica Dailey, 2011

In the ever-growing line of long-distance standouts for the University of Arkansas women's cross country and track and field programs, the name of Jessica Dailey shines brightly on the list of successful Razorbacks. Dailey donned the Cardinal and White for head coach Lance Harter and the Razorbacks from 1998-2000.

Dailey was a 12-time All-American for Arkansas, the second-largest collection by a Razorback, trailing only former teammate and fellow Hall of Honor member Amy Yoder Begley. In addition to her accomplishments at the national level, Dailey was an eight-time Southeastern Conference champion, earning at least two league titles in each of her three seasons in Fayetteville, and a nine-time All-SEC performer.

At the 2000 SEC Outdoor Championships in Baton Rouge, La., Dailey ran to a share of the Commissioner's Trophy as the meet's top female scorer. With her victories in the 1,500 and 3,000 meters and runner-up result in the 5,000 meters, she totaled 28 points. Dailey helped Arkansas win the outdoor SEC title that year, capping the team's run to the conference triple crown that season with victories in cross country, indoor track and field and outdoor track and field.

That season, Dailey was part of the highest-finishing national indoor team in program history. Arkansas finished third at the 2000 NCAA Indoor Championships. The momentum carried over to the outdoor season with Dailey and the Razorbacks posting a sixth-place performance at that year's NCAA Outdoor Championships.

Her name is still scattered throughout Arkansas' records book. Dailey owns the school record in the outdoor 5,000 meters with a time of 15:48.89 run at the 2000 Mt. SAC Relays. She ranks third all-time with 64 career points scored at the SEC Outdoor Championships and fifth with 48.5 career points scored at the SEC Indoor Championships.

Dailey was as accomplished away from the track as she was on it. In 2000, she was the NCAA Woman of the Year for the state of Arkansas and went on to become the first Razorback selected as one of the top 10 national finalists for the overall award. For her achievements in the classroom, Dailey was also recognized as a three-time CoSIDA Academic All-American.

**Jody Rittenhouse White, 2012**

Jody Rittenhouse assisted in the beginning of what is now one of the nation's most prestigious programs for track and field and cross country. Rittenhouse, a four-year letterman from 1978-81, was the Razorbacks' first All-American in cross country in 1978.

During the early stages of the program, Rittenhouse was a standout at middle distances for the women's cross country, and track and field teams. In 1978, she made history as the program's first All-America selection in cross country. She added a pair of outdoor accolades to finish her career as a three-time All-American. Her name is still present in the program's records book as the fifth-fastest performer in the indoor 1,500 meters and as a member of the No. 3 indoor mile relay team.

Rittenhouse was the queen of the mile during her time, winning 10 race titles and was runner-up at the National Indoor Championships in 1979.

Rittenhouse added a pair of outdoor accolades to finish her career as a three-time All-American. Her name is still present in the program's record books as the fifth-fastest performer in the indoor 1,500 meters and as a member of the No. 3 indoor mile relay team.

In her four seasons as a Razorback, Rittenhouse led the team to 70-33 record while also helping Arkansas qualify for its first national championship appearance in 1981 when it finished 16th in the nation.

ARKANSAS

UNIVERSITY OF ARKANSAS

The University of Arkansas

The University of Arkansas provides a student-centered learning experience focused on research, innovation and outreach as a part of educating future leaders. Consistently ranked among the top public universities and best values in the U.S., the U of A is classified among the top two percent of institutions nationwide with the highest possible level of research activity.

The university's 27,0065 students represent all 50 states and more than 120 countries. The U of A has 10 colleges and schools offering more than 210 academic programs – while maintaining a low student-to-faculty ratio that promotes personal attention and mentoring opportunities.

Founded in 1871, the university is the oldest publicly supported institution in the state and is the flagship of the University of Arkansas System. The U of A campus features distinctive architecture, including its signature building, Old Main, finished in 1875. The iconic building now houses the J. William Fulbright College of Arts and Sciences. The college is named in honor of former U of A President (and, later, U.S. Senator) J. William Fulbright, who helped create the prestigious international scholarship and fellowship programs that bear his name.

The university promotes undergraduate research in virtually every discipline and has an outstanding national reputation in many areas, including agriculture, architecture, business, creative writing, engineering, high-density electronics and nanoscience, as well as sustainability and environmental sciences. Programs such as Supply Chain Management, Rehabilitation Counseling, Industrial Engineering and Biological and Agricultural Engineering rank among the best in the country.

The University of Arkansas offers a vibrant campus life that is culturally, intellectually and socially enriching. On our campus you'll find more than 300 registered student organizations, from special interest to professional groups, as well as 33 Greek organizations, making it easy and rewarding to get involved. Every semester offers opportunities to attend musical performances, theater productions, art exhibits, concerts, free films, poetry readings, visiting speakers and hundreds of other varied events.

Visit arkansas.edu for more information about the University of Arkansas.

Historic Senior Walk

As you make your way around campus, you're sure to notice something unique about many of the sidewalks. Historic Senior Walk showcases the names of more than 150,000 University of Arkansas graduates, grouped by year of graduation. Senior Walk is the university's longest tradition in both length and years. It's concrete proof of the university's commitment to students.

Senior Walk is also a perfect example of how the University of Arkansas celebrates its history and traditions while focusing on innovations for the future. When the costs involved in hand-etching names into concrete forced numerous other universities to give up, the U of A turned to its physical plant and engineering school grads to create a one-of-a-kind computerized sandblasting machine: the SandHog. Each summer, the SandHog roars across campus etching the names of new

exceptional opportunities for research partnerships, internships, and post-graduation employment.

Arkansas is a natural wonder of forests, mountains and lakes framed by picturesque rivers and streams. Some of the nation's best outdoor amenities and most spectacular hiking trails are within a short drive of campus.

Beyond Campus

Fayetteville is routinely considered among the country's finest college towns and the surrounding Northwest Arkansas region is regularly ranked one of the best places to live in the U.S. You'll find a number of attractions that will contribute to a rich college experience.

Three of America's largest corporations have their world headquarters

Old Main

One of the original buildings on Arkansas' campus, Old Main symbolizes the strong connection to the past and the focus upon the future which come together in the present at the University of Arkansas. Completed in 1875, Old Main stood the test of time until the mid-1980s when age and modern building codes threatened to send it to the wrecking ball as had happened to its sister building at the University of Illinois. A major fundraising campaign by alumni totally renovated Old Main. Reopening in 1992, the building maintains the feel of a Victorian-era building with high ceilings and elaborate wooden trim. Just below the surface of the period hardwood floors, Old Main is hard-wired to the internet and built to last well into its second century.

Even with renovation, Old Main remained unfinished until 2005. One of the gifts during the Campaign for the Twenty-First Century specified the installation of a clock, originally planned for the blank faces of the south

RANDAL TYSON TRACK CENTER

In a re-dedication ceremony held Feb. 12, 2011, during the 2011 Tyson Invitational in Fayetteville, the Randal Tyson Track Center was recognized as "The Home of the Fastest Indoor Track in the World." The Razorbacks' home indoor track was resurfaced prior to the start of the 2011 track and field season.

In 2000, the Randal Tyson Track Center first opened on the University of Arkansas campus with the specially designed track, originally built by Mondo for the World Championships in Toronto, Canada. Since opening, the Razorbacks' home facility has played host to several world-class indoor meets, including six SEC Championships—most recently, the 2011 indoor conference meet—and 10 NCAA Championships.

Widely considered as the fastest indoor surface ever constructed, the Tyson track has been home to numerous world records, American records and an impressive 65 percent of all current NCAA Championship meet records. Arkansas will increase its number of national hosting duties to 11 with the 2013 NCAA Indoor Track and Field Championships which will be held March 8-9, 2013, in Fayetteville.

In its first year of operation, the \$8 million facility hosted the Tyson Invitational, a meet on the Golden Spike Tour, the 2000 Southeastern Conference Championships and the 2000 NCAA Indoor Championships. In 2001 and 2002, the Randal Tyson Track Center once again served as the host for the Golden Spike Tour's Tyson Invitational and the NCAA Indoor Championships.

During the 2003 season, three events were held at the state-of-the-art facility: the SEC West Challenge, the Tyson Invitational and the NCAA Championships. The 2004 campaign saw four exciting events take place at the Randal Tyson Track Center, including the Arkansas, Razorback and Tyson Invitational meets and the national championships.

The schedule was full in 2005 as the Arkansas, Razorback and Tyson Invitationals and the SEC and NCAA Championships were all held at the Tyson Track Center.

A new 36x20 custom video scoreboard system by Daktronics was installed in time for the 2005 NCAA Championships. It features a 23x13 video display screen with instant replay, electronic timing and scoring capabilities.

The track itself is a 200-meter, 60-degree banked track that has 55-meter straightways running the entire length of the facility. It also includes men's and women's jumping runways and pits. The surface of the track is red and gray Mondo and was repainted in 2003.

With all of the big name events that are held in the facility, the Tyson Track Center was built to handle the demands for the many media outlets. The press box is two-tiered offering 50 seats and has an announcer's booth. There are four elevated camera positions located around the track. A media room is also available in the north concourse.

The University of Arkansas Board of Trustees recently approved the construction of three athletic related capital projects, one of those being a renovation and expansion of the Randal Tyson Indoor Track Center. The Randal Tyson Track Center will undergo an extensive renovation and expansion. The total project cost of the Randal Tyson Track Center Renovation and Expansion is currently estimated at \$15-20 million.

A feasibility study determined that both the fan and student-athlete experiences would benefit from reconfigured seating, enhanced circulation throughout the building, new concessions and restrooms, satellite locker rooms and training rooms facilities. The project will be completed in stages to allow the venue to still be used for competition during construction. The targeted completion date for the renovation and expansion is prior to the 2021 NCAA Indoor Track and Field Championships, which will be held at the venue.

FOWLER FAMILY TRAINING CENTER

The facility provides approximately 52,000 square feet of climate-controlled practice space, including a full size practice infield, throwing area, batting areas and ancillary team spaces. For track and field it provides an expansive check in and warm up area for track meets and will allow all indoor meet throwing events to be held on site.

The Fowler Family Baseball and Track Training Center provides an expansive check in and warm up area for track meets and will allow all indoor meet throwing events to be held on site.

The weight throw and discus practice/competition area is separate from the baseball training area allowing for dual training in the facility. For track competition, this facility will allow for all throwing events to be held at the Fowler Family Baseball and Track Training Center instead of the Walker Pavilion.

“Our baseball and men’s and women’s track and field programs consistently compete for SEC and national championships and we want to provide our student-athletes the resources they need to succeed,” said Vice Chancellor and Director of Athletics Hunter Yurachek.

The facility also includes four (4) 60 meter sprint lanes for track meet warm-up prior to events. With addition of this venue adjacent to Tyson Indoor Track Facility, track events will conduct clerking/warm-up here and make existing warm-up space in Tyson Indoor being converted to a shared strength and conditioning space and satellite training room.

JOHN MCDONNELL FIELD

Serving as the outdoor home to the most successful program in NCAA history, John McDonnell Field is one of the top outdoor track and field facilities in the nation. Named for legendary head coach John McDonnell, the winner of 40 NCAA national championships during his career at Arkansas, the facility will add to its list of competition duties with the recent announcement as the host of the 2014 NCAA West Preliminary.

The state-of-the-art competition areas include a nine-lane Mondo track, a grass infield as well as a full hammer cage and multiple throw areas. The pole vault and jumping pits are reversible and contain two sets of runways to accommodate multiple events. Capacity is currently set at 7,000 with the potential to hold 10,000 with additional construction.

John McDonnell Field played host to the 2006 Southeastern Conference Championships, the 2008 NCAA Mideast Regional Championships, the 2009 NCAA Outdoor Championships, in addition to the annual John Mc Donnell Invitational. The 2006 SEC and 2009 NCAA meets were the first in what promises to be a long line of prominent events slated for the facility. Arkansas is set to host the NCAA West Preliminary May 26-Sat May 28, 2022.

The University of Arkansas Board of Trustees recently approved the construction of three athletic related capital projects, one of those being a Track and Field High Performance Center. The approximately 20,000 square foot Track and Field High Performance Center will be constructed just south of the track at John McDonnell Field. Based on the feasibility study, the total project cost of the facility is currently estimated at \$8-\$10 million.

Entering his second full year as vice chancellor and director of athletics at the University of Arkansas, Hunter Yurachek has made the most of his time since Chancellor Joseph Steinmetz announced him as vice chancellor and director of athletics on Dec. 4, 2017.

Shortly after his arrival in Fayetteville, Yurachek introduced a program wide strategic plan that focused on fostering student-athlete success and centered on achieving the program's mission of building Razorbacks/Champions for Life. Four Arkansas student-athletes earned individual national championships in 2017-18.

Since taking his leadership role within Razorback Athletics, Yurachek has traveled the state for a series of meet and greets to hear from Arkansans on what the Razorback program means to them. It is all part of building a solid foundation for fulfilling the program's vision – To Be the Best.
